

3F Copenhagen stands in Solidarity with the people of Nepal

Dear Nepali members of 3F and the Nepalese community.

It is with great sadness that we have received the news of the catastrophic flooding in Nepal. From 3F Copenhagen, the members of 3F Copenhagen and your colleagues, please receive our solidarity, our condolences and our compassion.

We will in the coming hours and days reach out to the Nepalese community to offer our support in arranging solidarity and humanitarian aid.

In solidarity – 3F Copenhagen
